

TK Showcases

9:00 am

Tuesday, November 14

or

Wednesday, January 17

Visit Mrs. Nelson classroom to learn how Mrs. Nelson and Miss Anne prepare the children in their TK classes for kindergarten.

We understand the needs of young children; thus, we help each child to grow and thrive.

Mrs. Nelson and Miss Anne design curriculum for their students using the California Curriculum Framework and Learning Foundations in social/emotional development, language & literature, math, science, art, music, dramatic play, physical development, health, and history-social science.

Our TK program provides —

- ◆ Experienced teachers
- ◆ Small class sizes (two teachers with a maximum of 18 children per classroom)
- ◆ Large outdoor spaces with at least one hour each morning of outdoor play on our playgrounds, patios, and in our gardens
- ◆ A 3-hour class (9:00-noon) with 2-, 3-, 4-, or 5-day options
- ◆ Before- and after-school care options (Early Birds 8:00-9:00 AM and 1-, 2-, or 3-hour of Lunch Bunch between noon and 3:00 PM)
- ◆ The ability for children turning 5 during the summer who would benefit from a “bonus year” to stay at CPC for another year before entering kindergarten.

Your friends and neighbors are welcome to attend, too!
